Draft Minutes —REGULAR BOARD OF DIRECTORS MEETING 9:30 a.m. Wednesday, October 21, 2020 via Online Zoom Meeting

Contact us at 575-233-5742 or board@LRGauthority.org for information, assistance, or to subscribe to email board meeting reminders. Email the board address or dial extension 1021 or 1018 and leave a message if requesting phone or log-in information for online meetings. Agendas are final 72 hours prior to the meeting and may be obtained at any LRGPWWA Office or at www.LRGauthority.org/noticesavisos.html

- I. Call to Order, Roll Call to Establish Quorum: Chair Mrs. Holguin called the meeting to order at 9:32 a.m., Mr. P Smith representing District #1 was present, District #2 is vacant, Mr. Evaro representing District #3 was present, Mrs. Holguin representing District #4 was present, Mr. Magallanez representing District #5 was present, District #6 is vacant, Mr. F. Smith representing District #7 was present. Staff members present were General Manager Martin Lopez, Projects Manager Karen Nichols, Projects Specialist Patricia Charles, Finance Manager Kathi Jackson, Operations Manager Mike Lopez, Accounting Assistant John Schroder and Josh Smith LRG Attorney. Guest included Marty Howel with Souder Miller & Associates, Diana Gomez with Bohannon Huston Inc. Mario Juarez Infante, Gabriel Villanueva, Marvin Chavez all from Wilson & Company were also present.
- II. Pledge of Allegiance postponed due to online meeting
- **III. Motion to approve Agenda:** Mr. F Smith made the motion to approve the agenda. Mr. Magallanez seconded the motion, the motion passed with all in favor.
- IV. Approval of Minutes
 - A. Motion to approve the minutes of the September 16, 2020 Regular Board Meeting: Mr. F Smith made the motion to approve the minutes for September 16, 2020 Regular Board Meeting. Mr. Evaro seconded the motion, the motion passed with all in favor.
- V. Presentations: Mario Juarez Infante with Wilson & Company to give an update on the Central Office Building: He has been working with Ms. Nichols in requesting an extension to the funding agreement. There are 3 reasons for the delays in this project. One is that the NM Dept of Transportation is concerned with the impact generated by the new office in Vado. They recommended right and left turn lanes. This would require some work with EBID to extend the roadway crossing because of the irrigation ditch there. Two- The second round of comments have been submitted to NMED. NMED requested permitting from DAC. He responded that the permitting comes from NM CID. Mr. Josh Smith is going to schedule a teleconference with the DAC attorney to discuss this matter. Mr. Juarez-Infante indicated that we are complying with the County rules and regulations the question is if a permit from DAC is needed. Third- Mr. Deal is a Civil Engineer with Construction Programs Bureau is taking extra time to review the plans because he is not an architect. Once the permitting problem is resolved then we could let the project out to bid end of this month. Then schedule the bid process in November. Bid opening in December and bring it to the December board meeting. Construct could then start after January 4th 2021 and should take approximately 9 months.

VI. Public Input

A. General Matters: 15 minutes are allotted for this item, 3 minutes per person: Ms. Nichols informed the board that we have several Engineering Firms present at our meeting that will be asked to participate during her report.

VII. Managers' Reports

- A. General Manager: Mr. Lopez provided a written report and stood for questions. We have submitted all documents to renew LRGPWWA's insurance policy. There will be an increase because of the Brazito Project and the additional new vehicle acquired recently. The insurance for employees has also increased. November billing will include the sewer customers connected as part of the Mesquite-Brazito Sewer Project. Our condolences to Mr. Ismael Borunda's family. He was the President for La Mesa MDWCA during the transition into LRGPWWA. At the November board meeting we will be recognizing 13 employees for completing 10 years of service with LRGPWWA.
- **B. Operations:** Mr. Mike Lopez provided a written report and stood for questions. Water production is still high this time last year was 45.93 million gallons and this year is 53.20 million gallons.
- **C. Finance:** Ms. Jackson provided a written report and stood for questions. Revenues for September were \$386,000.00 expenses were \$399,000.00. We took in \$1.1 million for this quarter and have spent \$991,000.00 so we are able to absorb the over spending for September. Register change out is almost complete. The audit should be ready by next month.
- **D.** Projects: Ms. Nichols provided a written report and stood for questions. She shared a monthly status report provided by Bohannan Huston. This is very helpful in providing her reports. The projects are Mesquite-Brazito Sewer Projects 1 and 2, South Valley Water Supply Project Mesquite Wetlands Closure and Water Master Plan. Mrs. Gomez from Bohannan Huston said Mesquite-Brazito Project 1 we are assisting in getting all the funds used. Sent a change order yesterday. There is a delay due to the staff changes at USDA. The project is near completion. Mesquite-Brazito Project 2 they can't proceed due to 2 easements that are pending Pena and Gomez, Mr. Josh Smith is working on getting the easements. Mr. Josh Smith said he got the documents for Pena Wednesday morning; the judgement will be recorded. Gomez property owners were served on October 8, 2020 and have 30 days to respond. Mrs. Gomez said they have been waiting on USDA for 2 -3 months to get authorization to proceed on the South Valley Project. The delays at USDA are due to staff changes. The approvals were received in May the next step is to open for bidding. Mesquite Wetlands Closure – they opened bids and have recommendations for awards on todays agenda. Water Master Plan – working on exhibits and updating current information. They are planning on a meeting with LRGPWWA to make sure they are on the right track and making sure they know what is expected and needed by LRGPWWA. Marty Howel from Souder Miller & Associates gave an update on Valle Del Riothey have substantial completion for the scope of work. There is a far amount of funding left which will be used to run 3 phase power to the site, replace booster system in order to get fire flow to system. He contacted the landowner in the area for easement. The landowner is planning a subdivision of 1-2 acre lots with 10-15 lots. DAC has requested they have fire flow

for the subdivision. These lots will then be connected to LRGPWWA's system. High Valley 1the rehab. Of the existing well is completed. The only thing pending is the new production meter and replacing 6 feet of piping inside the building, which has been ordered. High Valley 2documents have been submitted to NMED-CPB for approval. The project includes design and construction of a new well and new well house and the connection to the Vista Del Ray Mutual Domestic system. Stern Drive Project- has been completed and had some funding left. Those funds will be used to survey additional area to get more topo for additional water line instillations in the future. Ms. Nichols got a call from DAC about the property we are trying to purchase for the East Mesa Project to give us more space at the 3 sisters tank site. JR from DAC said they finished the work on the lot split there, but said the property taxes had not been paid yet. Ms. Nichols believes taxes have been paid but will have to check in to it. East Mesa Project - DB Stephens & Assoc. has been in contact with Bohannon Huston about sharing information regarding the Water Master Plan. She would like to see communication between Souder Miller and DB Stephens & Assoc. to also share information in order to move forward the water planning effort. Mr. Lopez gave the board additional updates – Mr. Schroder has been working on getting all customer files scanned so staff can access those documents as needed. He is working on upgrading our fire wall, which will cause some down time next week. We are also working with Carl at RCAC on getting an assessment on Cyber Security.

VIII. Unfinished Business

A. Appointment of Directors for Districts 2 & 6 - Postponed

IX. New Business

- **A. Termination of Membership for Delinquent Accounts:** Mr. Lopez said the customers on this list have gone thru the collections process and membership needs to be terminated. Mr. Magallanez made the motion to terminate membership for the customers on the list. Mr. F Smith seconded the motion, the motion passed with all in favor.
- **B.** Motion to adopt Resolution FY2021-11 Adopting FY2020 1st Quarter Budget: Mrs. Holguin said this item is the quarterly budget which needs to be submitted on a quarterly basis. Mr. Magallanez made the motion to adopt Resolution FY2021-11 adopting 1st quarter budget. Mr. F Smith seconded the motion, the motion passed with all in favor.
- C. Motion to authorize using General funds to cover additional cost over & above the remaining 09 SAP-E4037 GFR funds for the purchase of a second Excavator: We were awarded funding last year to purchase an excavator and other items. Initially we wanted to purchase any implements that could be used with the excavator, but there weren't any. So, we thought we could use the extra money to possibly purchase an additional excavator. In the mean time the vendor we purchase the first excavator was not awarded the state contract. The new vendor's prices are higher so we would need to use money from our general fund to purchase the second excavator. Mr. Magallanez made the motion to authorize the use of General funds to cover additional costs over the remaining funds. Mr. F Smith seconded the motion, the motion passed with all in favor.

- **D. General Manager Annual Evaluation:** Mrs. Holguin would like the board to please complete the evaluation form and forward it to her. Then a closed session to discuss the evaluation.
- E. Motion to approve the Contract Award for Mesquite Wetlands Closure Project per Engineer's recommendation to Caliper Construction: Mrs. Gomez referenced the Award Recommendation letter included in the board packet, which shows that Caliper Construction Inc. was the engineer's recommendation for award of the Mesquite Wetlands Closure Project. Mrs. Gomez contacted Caliper Construction because of the substantially lower cost of the earth work. Caliper Construction verified the cost as true and said that the lower cost was because they are not sub-contracting it out plus they specialize in earth work. Mr. Furman made the motion to approve the contract award to Caliper Construction. Mr. Evaro seconded the motion, the motion passed with all in favor.
- F. Motion to convene in closed session pursuant to NMSA 1978 10-15-1 H.7-threatened or pending litigation and NMSA 1978 10-15-1 H.8 regarding the acquisition of real property or water rights. Mr. Magallanez made the motion to convene to closed session. Mr. Evaro seconded the motion, the motion passed with all in favor.

Re: Mesquite Wetlands Closure Award Recommendation

BHI Project No. 20200423

Dear Mrs. Nichols,

Bids were opened for the above-referenced project on Thursday, October 6, 2020 at 2:00 p.m. through a Microsoft Teams meeting. The Project consists of Lower Rio Grande PWWA Mesquite Wetlands Facility Closure Plan per NMED regulations including site grading, abandonment of existing monitoring wells, installation of new monitoring wells, and renewal of NMED GWQB discharge permit.

The project was bid on a lump sum cost basis and unit price bid schedule. Final quantities may vary from those estimated in the Bid Schedule. A total of four bids were received before the scheduled Bid Opening. A tabulation of the bids and the engineer's estimate of probable cost are attached. A summary of the three lowest bids is shown below:

	Total Base Bid
Caliper Construction, Inc. Las Cruces, New Mexico	\$79,777.00
Highland Enterprises, Inc. Las Cruces, New Mexico	\$134,992.00
J29 Enterprises, Inc. Albuquerque, New Mexico	\$146,850.00
Engineer Estimate	\$164,500.00

These figures DO NOT include New Mexico Gross Receipts Tax at the Remainder of Doña Ana County rate of 6.750% or contingency.

The apparent low bidder is:

Caliper Construction, Inc P.O. Box 1719 Las Cruces, NM 88005 575.524.3924 License No. 88225 GA98, GB98, GF98,

Expires: February 28, 2021

The apparent low bidder's licenses, as well as their subcontractors, have been verified with NM Licensing Services, are valid for the type of work to be accomplished and are in active status. We have worked with Caliper Construction, Inc. on previous projects in the past and all were completed within the authorized construction period and with satisfactory results.

Caliper's total bid price is half of the construction cost estimate and still considerably lower compared the other three bidders. BHI reached out to Caliper to verify project description and elements are all accounted for. They indicated that their bid price is correct, and all elements of the project were accounted for.

The contract documents require that bidders hold the bid prices for a period of sixty (60) days after the bid opening to allow the Owner to evaluate the bid proposals. Per the attached funding analysis, it is our understanding that the LRGPWWA has adequate funding to award the project Total Base Bid, I recommend that the Authority award construction of the base bid project to Caliper Construction, Inc.in the amount of \$79.777.00.

The Authority should take action to accept or revise this recommendation in accordance with the Authority's objectives for award of the construction contract. It is my understanding that consideration of the award will take place at an Authority's board meeting on October 21, 2020 contingent on NMED-CPB approval. Please do not hesitate to contact me if you have any questions or need further assistance with this prior to that time.

Sincerely,

Tyler Hopkins, PE Project Manager
